

REMARKS:

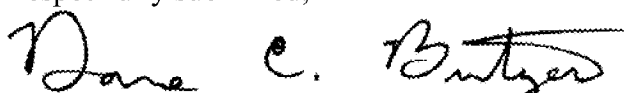

This amendment corrects three formal matters, namely grammar with respect to the word “and” in claims 1 and 15 and the dependency of claim 10 from canceled claim 6.

Claim 10 was objected to in the outstanding Office Action. Accordingly, this amendment is believed to comply with a requirement of form set forth in the Office Action. Entry of this amendment is therefore requested pursuant to 37 CFR § 1.116(b)(1).

Furthermore, this amendment is believed to place claims 1, 10 and 15 in better form for appeal. Entry of this amendment is therefore also requested pursuant to 37 CFR § 1.116(b)(2).

If this amendment is not entered, then Applicant respectfully requests that the Examiner consider this paper to be a request for an Examiner’s Amendment to effect the changes set forth herein.

Respectfully submitted,
